

AGENDA**COMMITTEE REPORTS: GSO, Graduate Council, Graduate Studies Committee, etc.****CALENDAR ITEMS:**

- **Rotation dates** - Rotation 3: Jan. 7 - Feb. 15
- Probably will require some fourth rotations starting week of Feb. 18
- Spring Break – March 2-9
- Medical Guild competition – Tuesday, March 12 – start concentration competitions
- PhD commencement – Friday, April 26, 4:00
- MS commencement – Saturday, May 3, 4:00

CURRICULUM ISSUES:

- Need GMS 6001 debriefing
- **Course enrollment** appears to be down, e.g., GMS 6121 only has 4 or 5 students, less outside students. Why?

STUDENT ISSUES:**1. GMS 6001**

- 4 students on probation for spring – 1 B-, 3 C+

2. Second year students not in GIMS**OTHER BUSINESS:**

1. Faculty Mentoring Awards - Nominated Faculty: Rob McKenna and Ed Chan forwarded to university.

2. Admissions

- Application deadline December 3, extended to Dec. 15 for Open House attendees. We will consider qualified applicants on a continuing basis.
- Complete applications - 120; partial applications 130
- 120 US, 130 international
- Interviews: Jan.27-29, Feb. 24-26. Same format as last year. Email sent for faculty involvement. Please encourage responses.

3. Proposal for concentration in Health Outcomes and Policy in IDP in BMS

- Will get report from Betsy Shenkman next meeting
- Separate recruiting and admissions
- Separate curriculum
- No crossover with current concentrations and students
- Students enter program with mentor chosen (i.e., no rotations)
